Commissioner of Civil Supplies & Sep., Revenue.

Read:- Krishna [illegible] Collector's Roc.B.2.13093/48, dated 10-11-1948.

While communicating the orders regarding the disposal of land after fasli 1357 under Grow More Food Scheme, the Government in the Number 1236 Revenue, dated 24-5-1948 [illegible] (communicated with Board's L.Dis.22958/48, dated 1-6-1948) observed that objectionable occupations of porambokes should be got evicted and unobjectionable cases might be left alone. Several of the Ex-Toddy tappers in this district after forming themselves into a F.L.C. Society are applying for the assignment of unobjectionable poramboke lands under Grow More Food Scheme. I request to be informed whether assignment of such lands to Ex-toddy tappers is permissable.

REFERENCE:-

Submitted to the Government.

2. The Collector refers to "assignment" of unobjectionable poramboke lands. It is of course out of the question to assign any poramboke land.

The Board therefore recommends the leasing out of such lands to [illegible] ex-toddy tappers, under the Grow More Food concessions. The lease may [illegible] be for a period of one year to start with. Further renewals may also be for periods of one year at a time, pending provision by Government of alternative sources of employment to Ex-toddy tappers.
